

Agreement for Services

The services offered by Dr Suzanne J Shurbet are for Biofeedback and Bioenergetic Stress Reduction. These disciplines are not connected with conventional medicine as practiced by western medical doctors and hospitals. They are entirely separate disciplines concerned with the e-correction of energy fields and balancing the bio-electric patterns of the human system. Traditional medicine is based on biochemistry. This work is based on biophysics.

Biofeedback does not diagnose, treat, prescribe for, or cure any disease. Clients are advised that they should consult their own medical practitioners and medical professionals for the diagnosis, treatment, and cure of any health concerns.

All information discussed with your biofeedback practitioner pertinent to your session is confidential.

I agree to undergo Biofeedback and Bio-energetic therapy at my own risk. I further indemnify and hold harmless Dr Suzanne J Shurbet and/or her associates, assigns, affiliates, and officers, as well as any successors, assignees, executors, administrators, personal representatives, and heirs from any and all results of the Biofeedback and any other modality I receive from Dr Suzanne J Shurbet, including the LIFE System.

This agreement shall be unlimited as to the length of duration, and it shall be binding upon and inure to the benefit of the parties, their successors, assigns, and personal agents and representatives. The procedure of this service may require the touching of the patient's body by the practitioner, but only for the practical reasons of connecting the harness equipment etc.

Your signature below constitutes the acknowledgment that 1) You have read and agree to the foregoing, that 2) the procedure set forth above has been adequately explained to you by this provider, and 3) that you authorize and consent to the performance of the foregoing stress-reduction procedures.
